**Ho Ho Ho,  
Merry Christmas !**

Thank you for your letter, I enjoyed reading it.

I have been going over my list and checking it twice and it looks like you have been good this year!

I can't wait to stop by and visit your house soon so I hope you will be fast asleep when I get there.

I'd better go now as I have lots to do...

Mrs Claus needs help with the oven,  
and Rudolph is hungry !
